ICLAS is a non-governmental and non-profit scientific organization for international cooperation in laboratory animal science. The ICLAS mission is to advance human and animal health by promoting the ethical care and use of laboratory animals in research worldwide. ICLAS was established in 1956 under the auspices of UNESCO, and is in official interaction with the World Health Organization (WHO), the International Union of Biological Sciences (IUBS), the Council for International Organizations of Medical Sciences (CIOMS), and the World Veterinary Association (WVA). More information can be found on the ICLAS website [www.iclas.org](http://www.iclas.org) or by contacting the ICLAS Secretary-General.
