Istituto Zooprofilattico Sperimentale delle Venezie, Legnaro, Padua, Italy
Refinement tips for a ferret facility
- 16.15** **Martina MONTANARI**
Department of Systems Medicine, University of Rome Tor Vergata, and Laboratory of Neurophysiology and Plasticity, IRCCS Fondazione Santa Lucia, Rome, Italy
Evaluating the efficacy of non-pharmacological environmental enrichment as a refinement strategy across animal models
- 16.45 - 17.00** **Closing discussion**
-

March 13th, 2025

Program Day 2: Replacement

- 15.00** **Opening and welcome address**
Chairpersons **Francesca Caloni** *Università degli Studi di Milano, Milan, Italy*
Francesco Nevelli *Merck KGaA, Ivrea, Italy*
- 15.15** **Arno GUTLEB**
Invitrolize and UMF, Cluj Napoca
Status of *in vitro* models for inhalation toxicology
- 15.45** **Maurizio GUALTIERI**
Università degli Studi di Milano-Bicocca, Milan, Italy
New Approach Methodologies for airborne pollutants hazard evaluation
- 16.15** **Marta VIANO**
Merck KGaA, Global Healthcare & Operation, Analytical Development, Ivrea, Italy
Next Generation Sequencing for the detection of viral contaminants in biotechnological processes: development of an innovative analytical method to avoid the use of animals
- 16.45 - 17.00** **Closing discussion**
-

L'evento si terrà da remoto sulla piattaforma Teams.
La partecipazione all'evento è gratuita previa iscrizione.
Per iscriversi inviare una E-mail a: info@ipamitalia.org

IPAM2025 - 3days for 3Rs

March 27th, 2025

Program Day 3: Reduction

- 15.00** **Opening and welcome address**
Chairpersons **Isabella De Angelis** già Istituto Superiore di Sanità, Rome, Italy
Cristina M. Failla IDI-IRCCS, Rome, Italy
- 15.15** **Carlos Oscar SORZANO**
Centro Nacional de Biotecnología (CSIC), Madrid, Spain
Enhancing Transparency in Biomedical Research: Addressing the Non-Publication of Negative Preclinical Results
- 15.45** **Arti AHLUWALIA**
Università di Pisa, Pisa, Italy
Implementing good practice in the 3Rs through the PREPARE and ARRIVE guidelines
- 16.15** **Daniele PELUSO**
Department of Biology, University of Rome "Tor Vergata", Rome, Italy
Control of variability: interindividual variation and sample size
- 16.45-17.00** **Closing discussion**
-

Comitato organizzatore:

Maurilio Calleri (LIMAV Italia OdV), Francesca Caloni (Università degli Studi di Milano), Isabella De Angelis (già ISS), Cristina Maria Failla (IDI-IRCCS), Michela Kuan (LAV), Stefano Lorenzetti (ISS), Giancarlo Melato (Cosmetica Italia), Francesco Nevelli (Merck KGaA), Augusto Vitale (ISS)

**L'evento si terrà da remoto sulla piattaforma Teams.
La partecipazione all'evento è gratuita previa iscrizione.
